AUTHOR GUIDELINES

Authors are kindly requested to submit their manuscript only through the online submission module at http://jhr.pensoft.net/. In case of difficulties with the submission procedure, please contact help@pensoft.net. Full text of author guidelines is available at: http://jhr.pensoft.net/about/AuthorGuidelines

EXCEPTIONS FROM THE GUIDELINES

Body Text. All papers must be in English, checked by a native English-speaking colleague (if author(s) are not native English speaker(s)). Write with precision, clarity, and economy: use the active voice and first person whenever appropriate.

WEB (HTML) LINKS. Authors may include links to other Internet resources in their article. This is especially encouraged in the reference section. When inserting a reference to a web-page, please include the http:// for the portion of the address. Exceptions within the Text. Before submitting the manuscript, check each citation in the text against the References to ensure that they match exactly. Delete citations from the list if they are not actually cited in the text of the article. Citations in the text should be formatted as follows: (Smith 1990) or (Smith et al. 1998; Brock and Gunderson 2001, Feb 2006)

REFERENCES. It is crucial to properly format the references, because all references will be linked electronically as much as possible to the papers they cite. For all references, list all authors. You can include a DOI number for the full-text article as an alternative to or in addition to traditional volume and page numbers. Please use the following style for the reference:

Accepted Papers: Same as above, but "In press" appears instead the page numbers.

CITATIONS OF PUBLIC RESOURCE DATABASES. It is highly recommended all appropriate databases, images, and information to be deposited in public resources. Please provide the relevant accession numbers (and version numbers, if appropriate). Accession numbers should be provided in parentheses after the entity on first use. Examples of such databases include:

- ZooBank (www.zoobank.org),
- MorphBank (www.morphbank.net),
- GenBank (www.ncbi.nlm.nih.gov/GenBank),
- Barcode (www.boldsystems.org)

Providing accession numbers allows linking to and from established databases and integrates your article with a broader collection of scientific information. Please list all accession numbers directly after the References.

INTERNATIONAL CODE FOR ZOOLOGICAL NOMENCLATURE. The Journal of Hymenoptera Research will publish papers only strictly following the rules of the 4th edition of the International Code of Zoological Nomenclature. Each first mentioning of an animal species name within the text must be provided with author(s) name(s). Year of publication of animal species is recommended to be given in taxonomic revisions with providing full referencing of original description in the list of references.

OPEN ACCESS FEES. Publication fees in open access journals ensure a barrier-free distribution of your paper at no charge for the readers and include costs involved in processing, formatting, publishing, indexing and archiving your paper.

The journal charges Open Access Publication Fee of EURO 15 per page for papers of less than 100 printed pages. Publication fees for larger papers will be discounted and can be negotiated with the Managing Editor.

Open Access Publication Fees are usually covered by institutional funds and grants. Discounts waivers can be requested by private and retired zoologists, scientists from low- and middle-level income countries, postgraduate students, especially in case of exceptionally good manuscripts.

Discounts will be offered also to scientists who actively participate in the reviewing and editing process.

PRINTED VERSION. Offprints and printed issues of the journal can be purchased additionally (see journal’s website). For standing orders/subscriptions please contact the Managing Editor.
